Payment for October is due by Friday, October 10th. You can pay online through the website (linked [here](#)), through Venmo or drop off cash or a check to me at the preschool or my home address.

Book orders for this month are due by Tuesday, October 14th. To order, go to the website linked [here](#), scroll down to "For Parents" and click on "Connect to Your Teacher", and then enter our class code (NCDNX). If they are a gift, please let me know if you would like me to keep them hidden from your child instead of giving it to them to bring home.

If you have not had a chance to visit our website or Facebook page yet, the first day of preschool pictures are uploaded. They turned out so cute! We are so lucky to have such great kids. The website is linked [here](#).

Just a reminder to send your child with something for show and tell each Wednesday and a water bottle each day!

We will start the Scout program this month! Scout is a stuffed dog that will come home with your child on a Monday in a backpack with a notebook. When it is your child's turn, please have them draw illustrations about the adventures they go on with Scout and help them write their story as told by your child. This activity allows children to use their creativity and imagination. Please send the backpack, notebook, and dog back to school on Wednesday so that your child can tell the class about their adventures, the dog can be washed, and another child can have the opportunity to have a turn the following Monday.

Our Halloween party will be on Wednesday, October 29th! Please send your child to class in their Halloween costume on this day. We will have a Halloween party towards the end of class. We will send home a paper with more information but we are looking for three volunteers to help in the classroom and other volunteers to send in Halloween supplies and/or treats. If you are able and want to volunteer to help in the classroom, you will be in charge of running an 8-minute center where you will have a group of 4 students at one time. There will be 3 different rotations so each student will have the opportunity to participate in your center. Start thinking if that will be possible and we will send home a paper that we'll have you fill out and return to us. We will also have a short Halloween parade during the last 10 minutes of class that you and loved ones can come watch! We will be sending an email with more information but we wanted to let you know so you can mark your calendar.

Thank you ☺
